Amazing Moisture

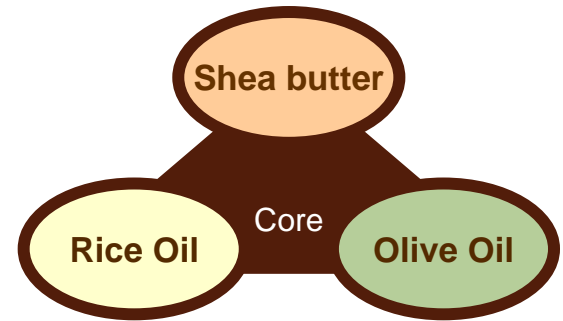

Long lasting moisture for skin barrier is made by original triple barrier ingredients to protect the skin.

Once your skin barrier is lost, the skin will lose Softness and moisture and get dryness and skin problem. As solution, we mixed three kinds of oil with high performance to protect the skin from dryness and wet work.

- (1) Super balanced oil Three highly effective oil which is the same ingredient with actual human skin barrier.
- (2) Moreover, deep injection ingredient (cosme-pharmaceuticals) will deliver the above ingredient into deep skin.
- (3) As these ingredient deeply injected will create the same condition in deep skin as human skin barrier, the human skin barrier is deeply moisturized and is improved to be long lasting moisture and healthy skin.
- (4) Long lasting high moisture feeling without re-coating.

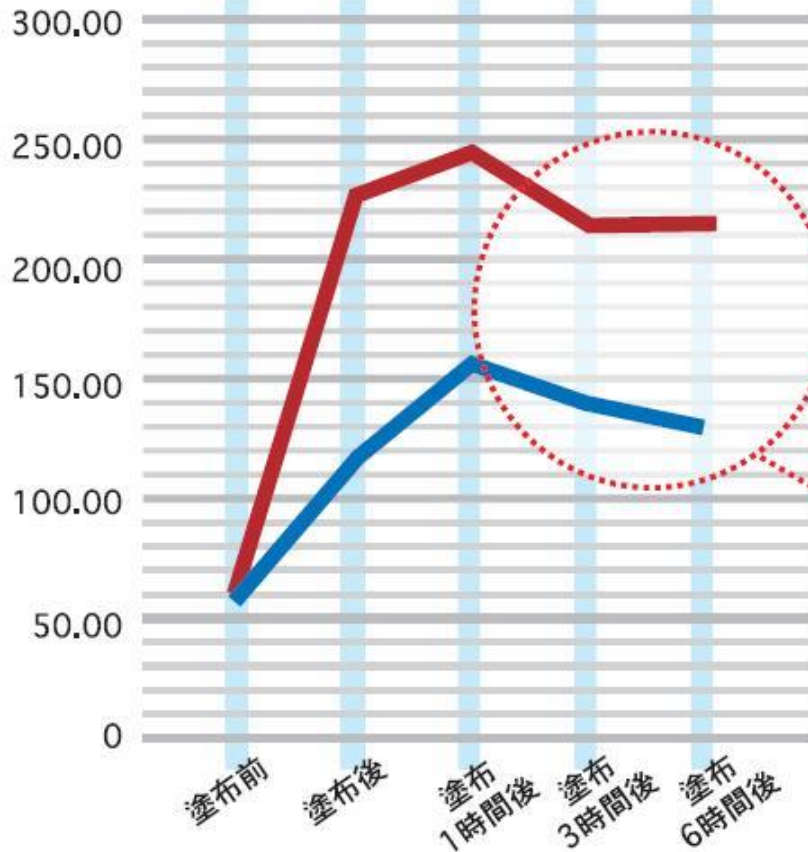

☆ Non-sticky because the ingredient is closed to human skin barrier

★ Due to the same balance of oil with human skin barrier, The skin is protected with moist.
